RISK MANAGEMENT

In today's economic environment, Risk Management is a very important part of business. The main aim of risk management is to identify, monitor and

take precautionary measures in respect of the events that may pose risks for the business. Your Company's risk management is embedded in the business processes. Your Company laid down procedures to inform Board members about risk assessment and minimisation and has implemented the Risk Management plan and continuously monitors it.

Your company has identified the following risks:

Key Risk	Impact to Gallantt Ispat Limited	Mitigation Plans
Commodity Price Risk	Risk of price fluctuation on basic raw materials like Iron Ore, Coal, Chemicals, Scraps as well as finished goods used in the process of manufacturing.	The Company commands excellent business relationship with the business associates. In case of major fluctuation either upwards or downwards, the matter will be mutually discussed and compensated both ways. Also by focusing on new value added products helps in lowering the impact of price fluctuation in finished goods.
Uncertain global economic environment – slow growth in global economy	Impact on raw materials which are imported	We have internal procedure to mitigate the global adverse impact.
Interest Rate Risk	Any increase in interest rate can affect the finance cost	Any increase in interest rate can affect the finance cost. Dependence on debt is very minimum and we have surplus funds cushion to settle the entire debt in case the need arises. Further, the Company has repaid the Term Loan in full.
Foreign Exchange Risk	Your company does not have export sales. However, import raw materials from country outside India. Any volatility in the currency market can impact the overall profitability	The Company commands excellent business relationship with the sellers and suppliers. In case of major fluctuation either upwards or downwards, the matter will be mutually discussed and compensated both ways.
Human Resources Risk	Your Company's ability to deliver value is dependent on its ability to attract, retain and nurture talent. Attrition and non-availability of the required talent resource can affect the overall performance of the Company.	By continuously benchmarking of the best HR practices across the industry and carrying out necessary improvements to attract and retain the best talent. Also recruitment is across almost all states of India which helps to mitigate this risk and we do not anticipate any major issue for the coming five years.
